Stuff Not To Do

Arrive late, people that will be late can meet us at the bar later. Don't let them cut into your time out on the bike

Drink the alcohol or eat the food you brought on the Marshall Street Bar and Grill premise. Whoever is doing this WILL NOT BE ALLOWED ON THE TOUR please make sure your group does not do this

Distract others/talk during the drivers pre tour spiel. It will just cost your group time out on the bike

Change your route last minute, this never works out well.

Be obnoxious in the bars, know your surroundings and don't be that group

Things To Do

Delegate ahead of time who will play the music off their phone. It is Bluetooth so you don't need a cord
Tip your driver before the end of the tour so it does not get forgotten in the chaos that ensues when the tour ends

Plan what you are going to do after your tour so you don't spend half an hour trying to decide. Getting a group of people that have been drinking for 2 hours to agree on something is impossible

Designate a DD or have plans to safely get home

Help the driver keep everyone listening during their pre tour spiel
